!BLAM Guidelines and Answers to F.A.Q's

POLICY

- It is imperative that teachers and/or chaperons are active in ensuring that all students exhibit appropriate behavior when at the Starz FilmCenter and show general respect towards all Starz and D.P.A.F.F. staff including invited artists, press, and workshop facilitators
- Teachers and chaperons MUST remain with students at all times
- We ask all students and staff not to engage in the consumption of alcoholic beverages during !BLAM programming
- Have fun! Enjoy your day; ask questions about topics addressed in films
- If you have a few students that forget or cannot afford to pay please bring them anyway and we will wave the fee if it is less than 10 students per group.
- If your total number of students changes significantly after your registration form is accepted you must contact Maurice Ka !BLAM coordinator at least 2 weeks prior to your date. We understand that some students may change schools, get sick, be unable to attend or be added to your roster at any time during the quarter. However, significant changes prevent other schools from attending !BLAM programming as seating is limited.

Transportation

- We encourage schools and youth organizations to utilize public transportation in order to avoid certain complication that frequently occur around scheduling school buses for arrival and departure. The Denver Regional Transportation District's web (www.rtd-denver.com) will assist you in planning your commute.
- If you absolutely need to depend on a school bus for transit, we encourage you to place that inquiry NOW or as soon as humanly possible, as you can re-arrange you reservation in the future.

Lunch

- Beverages for all participants will be provided by !BLAM, however it is up to each school to ensure al students have arrangements for lunch.
- Arrangements can be made with your school cafeteria for students that receive free, reduced or are dependant upon the food provided by the cafeteria. Food brought in can be refrigerated in the concession stand provided it is properly labeled and brought to our attention during morning check in.
- Middle and High School students that bring money instead of a sack lunch are free to purchase food in the Tivoli Student Union alongside Auararia Campus students.
